

Kerrie Lee Brown

Author, Journalist, Women's Health Advocate, Entrepreneur

With 20+ years working in corporate communications, broadcast journalism, and print media, Kerrie Lee Brown has evolved her love of traditional reporting and heartfelt storytelling into the creation of RedLily® - a unique lifestyle, health and wellness brand. Besides breaking barriers in the women's editorial space as CEO & Publisher of [Redlilylife.com](https://redlilylife.com), Kerrie-Lee is also an award-winning writer and editor with articles published in 100+ magazines worldwide. Originally from Toronto, Canada, and now based in Denver, Colorado, she works with a variety of global clients in the areas of content creation, editorial management, corporate storytelling, brand messaging, book strategy and editing, and leadership team motivation. Kerrie-Lee is also an avid women's heart-health champion, public speaker, and author of the book *"My Heart, My Self – A Heartfelt Guide for Women Who Do Too Much"* available on Amazon.
